Letter to Shareholders

Dear Shareholders,

I trust you all are healthy, safe, and keeping well. It gives me immense pleasure to present our annual report and highlights of our performance, progress, challenges we have faced and path towards growing sustainably this year at Advait Infratech Limited. This report also represents a significant turning point in our ongoing efforts to give stakeholders thorough and honest information about the Company.

Since 2009, Advait Infratech has been providing robust products and solutions for power transmission, substation, and telecommunication infrastructure. We

operate with various verticals such as turnkey telecommunication projects, installation of the power transmission, substation and telecom products, liasoning, marketing, and providing end to end solutions to our customers. We also manufacture and supply stringing tools, OPGW (Optical Fibre Ground Wire), OFC cables, ACS (Aluminium Clad Steel Wire), ERS (Emergency Restoration System), OPGW joint boxes. We have recently ventured into green energy as well. Advait works with an aim to support the long term, comprehensive and efficient power delivery system of the country by providing cost efficient and clean energy solutions.

However, the world around us is rapidly changing. Economic uncertainty, volatile geopolitical challenges, rising crude oil and commodity prices and a critical call to action for climate change and reserving the planet is only the tip of the iceberg of our dynamic present. As we move towards a future that relies heavily in the advancement of technology and renewable energy to grow and sustain, we at Advait are striving to energise this change by harnessing capabilities to provide holistic renewable energy solutions to the world. Our goal is to generate long-term value for the shareholders, and we are gradually heading in that direction by implementing several strategic initiatives.

A Milestone Year at Advait Infratech - Operational and Financial Highlights FY.23

We are delighted at our journey this financial year. The tireless efforts of the team to meet our collective vision of enhancing overall quality and cost effectiveness of power delivering systems, has been well organised and fruitful for our clients. These efforts have led to a robust business performance, setting us on a high growth trajectory.

As a result of continuing efforts to overcome the effects of the challenges, the company achieved positive growth in financial performance. At Advait Standalone level, our revenue increased by 41% to Rs. 103. Crore, and we continued to maintain a positive EBITDA margin of 17.01% and a good

PAT margin of 9.70%. This is due to the company's primary focus on working capital management and generating positive cash flow through various projects.

The company has one associate company TG Advait India Private Limited in which the Chinese company's stake exists. Even strict government norms after Covid-19, the company's consolidated performance grew positively this is because of the positive approach toward the threat and thereby finding the opportunity to cope with the same at Consolidated level, our revenue increased by 30% to Rs. 104.41 Crore, and we continued to maintain a positive EBITDA margin of 16.22% and a good PAT margin of 7.78%.

New Developments

Our Company under the "MAKE IN INDIA" Mission, has collaborated with CSIR SERC, Chennai, our technology partner, we have developed an indigenous and cost effective technology of ERS suitable for transmission lines of voltages from 33kV to 800kV. We are proud to say it is the first system under MAKE IN INDIA initiative to be developed indigenously and complying with all the international standards.

Also, Advait has bagged an order for Green Hydrogen based micro grid project from THDC in Uttarakhand, India. This project aims to develop a green hydrogen based micro grid, which will provide reliable and sustainable energy to THDC India Limited's premises.

Looking Forward

With increasing concerns around climate change, Advait recognizes the urgency to address carbon emissions and offers a range of carbon credit consultancy services, as well as end to end carbon neutrality and net zero solutions. With this vision, we strongly intent to enter into lease market of Carbon Credit. This will add value to the company by giving it access to new markets and a competitive advantage and build reputation as environmentally responsible organization. We also plan to develop cleantech tools.

I would like to express my gratitude towards the Board for their constant guidance. Their trust in our business propositions and policies along with their invaluable has helped the Company scale new heights. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. Industry Structure and Developments:

The global economy enters 2022 in a weaker position than previously expected. Growth has been weaker by 100 basis points than estimation predicted at the end of 2021. The global growth is mainly impacted by the new Omicron COVID-19 variant spreads and increasing Russia-Ukraine conflict. These crises had impacted the rising energy prices supply chain disruptions which in turn had resulted into the increase in the prices of capital goods & freight cost and which had resulted in higher and more broad-based inflation than anticipated.

The economy had mainly impacted the advance economies like US and major European Nations. However, growth projections have been picking up in the developing countries which are expected to grow by 4.5% as compared to 2.8% in 2022. India is expected to grow by 6.9% in FY 2023 mainly because of strong Infrastructure Growth and continuing resilient exports.

1.1 Transmission and Distribution (T&D) Sector

Global T&D Sector is expected to grow at 5.5% CAGR between 2022 to 2027 attributable to the rising power demand and returning to the pre-pandemic levels. In India, Power consumption growth is expected to increase due to the growth in Manufacturing Sector, Substantial demand in the Rural Areas and sustained economic growth. Over & above, growth in power sector is also attributable to the government investments in refurbishments of existing transmission and distribution infrastructure.

The T&D industry in India is diverse and offers range of goods from Transmission Towers, Cables, Conductors, Emergency Restoration Systems (ERS), Energy Meters to Switch Gears, Transformers, Insulators and Stringing Tools. Today, India manufactures and exports a wide variety of T&D equipment and this scenario along with newer technologies being introduced by foreign players is thought to express excess manufacturing capacity of electrical equipment industry in India.

1.2 Telecom Sector

Indian Telecom Sector is forecasted to grow by 9% CAGR during the period of 2022-2028. The telecom sector is expanding due to the surge in demand for 5G technology and internet consumption. This shall help the growth of the companies which are into the manufacturing, laying and installation of the Fibers, Optical Fiber Cables (OFC), Optical Fibre Ground Wires (OPGW) and Telecommunication Equipment's.

1.3 Green Hydrogen

The global green hydrogen market is valued at USD 242.7 billion in 2023 and is expected to reach USD 410.6 billion by 2030; it is expected to record a CAGR of 7.8% during the forecast period. Morgan Stanley estimates that the total addressable market for hydrogen in India could reach USD 19 billion. Advait has ventured into Green Hydrogen with a vision to provide end-to-end infrastructure for GH2 production. Your company is soon

going to have its own Electrolyser manufacturing units along with the Fuel cell Assembly facility. The increasing focus on GH2 is a consequence of increasing government focus on developing hydrogen-based economies and investment in the hydrogen infrastructure.

Report on the audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone financial statements of **ADVAIT INFRATECH LIMITED** ("the Company"), which comprise the balance sheet as at March 31, 2023, and the Statement of Profit and Loss and statement and cash flows for the year ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information. (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act 2013, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit and cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

**Management's responsibility for the financial statements**

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances; Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has

adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**ANNEXURE B TO AUDIT REPORT AS ON 31ST MARCH, 2023**
(FORMING THE PART OF INDEPENDENT STANDALONE AUDITOR'S REPORT)**Annexure “B” to the Independent Auditor’s Report**

(Referred to in paragraph 2 (f) under ‘Report on other legal and regulatory requirements’ section of our report to the Members of Advait Infratech Limited of even date)

Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **ADVAIT INFRATECH LIMITED** (“the Company”) as at March 31, 2023, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s responsibility for internal financial controls

The board of directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the

assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the consolidated financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matter	Following procedures have been performed to address this key audit matter.
Depreciation on Property, Plant and Equipment & Intangible assets using Straight Line Method	Depreciation on Property, Plant & Equipment been re-calculate on the basis the Written Down Value in order to line it with standalone financial statement.

Other Information

The Holding Company’s Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the consolidated financial statements and our auditor’s report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact.

We have nothing to report in this regard.

Management’s Responsibility for the consolidated Financial Statements

The Holding Company’s Management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Group in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective management and Board of Directors of the companies included in the Group are responsible for assessing the Group’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the each company's financial reporting process of each entity.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances; Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did not audit the annual financial statements of joint venture included in the Statement, whose financial information reflects total assets of ₹ 6111.81 lakh as at 31 March 2023, total revenues of ₹ 579.20 lakh, total net profit(loss) ₹ (469.42) lakh and cash flows (net) of (₹ 56.95 lakh) for the year ended on that date, as considered in the Statement. These annual financial statements have been audited by other auditors whose audit reports have been furnished to us by the management, and our opinion in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the audit reports of such other auditors, and the procedures performed by us as stated in paragraph above.

**ANNEXURE A TO AUDIT REPORT AS ON 31ST MARCH, 2023****(FORMING THE PART OF INDEPENDENT CONSOLIDATED AUDITOR'S REPORT)**

(Referred to in paragraph 2 (f) under 'Report on other legal and regulatory requirements' section of our report to the Members of Advait Infratech Limited of even date)

Report on the internal financial controls over financial reporting under clause (i) of sub - section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **ADVAIT INFRATECH LIMITED** (hereinafter referred to as 'the Holding Company') as at March 31, 2023, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Holding Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

**Meaning of internal financial controls over financial reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Holding Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
